

The Poultry Industry Creates Jobs in Texas

Texas companies that produce and process poultry and eggs are an integral part of the state's economy. Poultry producers, along with the companies that provide supplies and materials to the industry, provide well-paying jobs in the state and pay significant amounts in taxes to state and federal governments.

Economic Impact of the Poultry Industry in Texas

| | Direct | Supplier | Induced | Total |
|-----------------|------------------|------------------|-----------------|------------------|
